2022-2023 FINANCIAL INFORMATION

It is the philosophy of FBS to always be looking for ways to keep the cost of FBS down so that families may be able to afford the quality education FBS offers. We ask that each family partner with FBS to ensure money is being used with good stewardship. Families are also asked to help in school-wide fundraisers throughout the year. The parents, teachers, and staff are all financially investing in the lives of our students.

Financial Policy Reminders:

- * Fees are due by the first payment (the first day of school). Some fees may be able to be paid in two or more payments. Band fee only applies to students taking band class.
- * The first of ten payments will be due on the first day of school and on the 15th of every other month. If there is an outstanding balance on the 16th, a \$40 late fee will be applied to your account.
- * If no payment is received before the 1st of the following month, and no arrangement has been made with the administration, your students may not be able to attend school until your account is current. Families must make a minimum payment every month.

Registration Fee: The family registration fee is a non-refundable fee that is due at the time of enrollment. (\$50 before March 15, \$100 before June 1st, and \$200 after June 1st). This fee must be paid before entrance testing for new families can be scheduled.
